THE ELECTRIC LIGHTS

Six new arc lights are being placed on Jasper avenue, one at the Hudson's Bay corner, one in front of the Windsor Hotel, one at the Imperial Bank corner, one in front of Somerville's hardware store, one at the Alberta Hotel corner and one in front of the Jasper House. An arc light is also being placed at the approach of the hill on McDougall street. A. Criscall is installing two arc lights as is also Gariepy & Lessard. K. A. McLeod's block, Queen's Hotel, the skating rink, the curling rink, the new hotel, Revillon Freres' establishment, all have extensive electric light systems which will be turned on as soon as the new power is available. Ross Bros. are installing seventy-five incandescent and four arc lights. These will be ready to be turned on as soon as the present renovation of the store is completed.

MILLET

It was rumored down the line that Millet was quarantined on account of diphtheria, but we are very glad to state that it was a false report.

The Millet inhabitants think it about time that the C. P. R. should furnish them with a new station, operator, and ticket agent.

Our blacksmith, Mr. Fronong, is kept very busy these days.

P. Iverson, one of our livery men, has purchased a fine pair of black driving horses.

Mrs. and Miss Johnson, of the Arlington hotel, have left for New York, where they will spend about six months visiting relatives. Mr. and Mrs. J. A. Barrie will look after Mrs. Johnson's interests until her return.

Mr. Bennett, Canadian immigration agent for Nebraska, and Mr. Staffen, of the same place, and Mr. Powell and Mr. Collins, of North Dakota, have been spending several days in Millet, looking around the vicinity for land. They expect to return again shortly. They all passed the opinion that it was the best farming and ranching country they have seen. Mr. Mullin was showing them around.

Mr. Malcolm, agent for the Deering Implement Co., paid Millet a visit on Saturday.

Rev. Mr. Gruss, Presbyterian minister of Wetaskiwin, has been following us with a service every Thursday evening. We are looking forward to the erection of a new Presbyterian church in the near future.

The Wetaskiwin hockey boys stopped at the hotel for dinner on Saturday, en route for Leduc where they were going to play a match at 3 o'clock.

LOCAL

—Train left Red Deer on time.

—Robert Jones, of Fort Vermilion, is in town to-day.

—Mr. Morden, of McDougall & Secord went to Calgary this morning.

—Weather: Maximum temperature yesterday 13 above; minimum temperature to-day is 20 above.

—Frank Oliver, M. P., went to Leduc this morning to address a public meeting to be held there this afternoon.

—The Bulletin is in receipt of a unique and pretty calendar issued by the Queen Insurance Company. W. S. Robertson is the local agent.

—The special meeting of the town council which was to have taken place last night has been postponed until Tuesday afternoon next, at 3 o'clock.

—At the curling rink last night Stovel defeated Dowsett, score 13-9, and Picard defeated McGeorge, score 11 to 8. The draw for to-night is Emery vs. Fraser.

—A. A. Morrow has a very attractive window display consisting of a number of stuffed birds and animals, all neatly mounted. The owls, hawks, partridges and the groupers are especially realistic. The work was done by A. Lavigne, of Beaumont.

—The Cushing Bros. firm are forming a joint stock company, which will include the business at Calgary, Edmonton, Strathcona and Fort Saskatchewan. The new firm style will be "The Cushing Bros. Co., Ltd." Mr. Fred W. Ervin, manager at Strathcona, will open the business next week at Fort Saskatchewan. A large extension is being made to the factory in Edmonton and new machinery will be added to enable the company to meet rapidly increasing demand for all kinds of millg work.

—Last evening the home of Mr. and Mrs. John C. McDougall was the scene of a very pretty party. Each person present wore a device suggestive of the name of some book and whichever person present succeeded in guessing the greatest number of names was awarded a prize. Miss Miller and Dr. Jamieson won very handsome prizes—the consolation prize going to J. A. McKinnon. A most enjoyable evening was spent by all present.

MEETING ON STONY PLAIN

A public meeting was held in Stony Plain school house, on Tuesday evening for the discussion of political questions. There was a large attendance from all parts of the Plain and the school house was crowded. Several ladies were present. Rev. E. Eberhardt was elected chairman. He called upon Frank Oliver, M. P., to address the meeting which he did at length. At the close of Mr. Oliver's remarks, discussion was invited and Messrs. J. McKinlay and E. Daly spoke shortly commending the stand taken by Mr. Oliver in the house of commons, and also his position on the tariff and railway questions as laid down by him. A resolution of confidence in Mr. Oliver as the representative of Alberta was carried unanimously.

BON ACCORD

The literary and debating society held their usual weekly meetings in the school house on Wednesday evening last, the president, W. Mason, presiding.

The subject for debate was: Resolved that women should have the right to vote. The speakers for the affirmative were, leader, Miss Mason, Mr. M. H. Coughlan and Mr. E. Boutwell. For the negative, leader, Mr. G. Mulligan, Mr. F. Silick and Mr. B. Hewatt. After a very spirited debate the judges decided in favor of the affirmative side.

After the debate a first class programme was rendered. The reading of the weekly budget caused roars of laughter.

The society is having one of the best seasons it has ever enjoyed. The school room being filled at every meeting and the young members are coming out in great style.

A letter was read from the Namao society re the return visit, asking if Feb 21st would suit but as we only have the use of the school house on Wednesday evenings the secretary was instructed to reply to that effect and inform them that we should be pleased to have them here on Feb. 25th if convenient and choose as the subject for debate: Resolved that Man is the architect of his own fortune and not the creative of circumstances,—the choice of side left to Namao.

A hearty welcome will be accorded the visitors.

THE TRANS CANADA

As if the present requirements of Canada and of the Northwest were too great to be met by the proposed Grand Trunk Pacific, the Canadian Northern and the Saskatchewan valley extension of the C. P. R. the Trans-Canada railway Company is in the field with a fourth project for giving the northern part of the Territories much needed railway communication—and incidentally to secure a bonus in aid of construction. The Bulletin has been able to endorse the Canadian Northern and Grand Trunk Pacific schemes, and if properly located can also see merit in and room for the proposed Canadian Pacific extension. But a fourth scheme at the present time seems to be rather too much even of a good thing. No doubt at some time in the not distant future four new trunk railways through the Northwest will find business. But the business for a fourth road does not now exist. It will have to be created and its creation will take time. Inasmuch as the Trans-Canada is not yet a going concern, it may very well wait its turn, for the companies which have already demonstrated their strength, resources and business capacity. On paper the Trans-Canada is probably all right. It may be the shortest line and have the best port terminals. It may be an all-Canadian route and all the rest of it, but the bold fact is that support given to what is as yet the paper scheme of the Trans-Canada is antagonism to one or all of the three other companies who each have resources of earning power and credit that the Trans-Canada does not possess.

The Saskatchewan valley needs one or more trunk lines of railway to develop it. The country at large stands to profit largely by its development. The country then can, as a business proposition, afford to spend some money to secure its development upon terms which shall be advantageous to the settler and the country. But the country cannot afford to spend money on four lines of railway when one would answer immediate requirements. Nor can the country afford to treat with a paper company to the exclusion of companies which are established enterprises and were first in the field. A study of the present Trans-Canada agitation leads to the belief that its purpose is not so much to secure the building of the railway which is shown so prominently on its map, as to prevent the building of one or more of the three already projected lines, each of which is an entirely responsible hands.

Grand Trunk Pacific

The following is a copy of a resolution passed at a recent meeting of the town council:

Whereas the officers of the Grand Trunk Railway Company representing the proposed Grand Trunk Pacific railway have laid before the council of the town of Edmonton their proposed scheme for the extension of the Grand Trunk railway through Manitoba, the Northwest Territories and British Columbia to the Pacific coast,

And whereas the country through which the proposed line of railway will run comprises an almost continual stretch of fertile agricultural lands, well timbered, and containing large deposits of coal and other minerals,

And whereas, the development of this stretch of country must depend upon effective transcontinental railway transportation, and the width and general extent of the fertile lands of the Northwest Territories as such as to warrant the construction of several through lines of railways,

And whereas the building of the proposed Grand Trunk Pacific railway will have a tendency to divert the trade of an eastern provinces of Canada, so that such eastern provinces will be equally interested with these Territories in securing the construction of such through line of railway,

And whereas the Edmonton district is rich in deposits of coal, timber, and other natural resources which at the present time remain undeveloped, and settlement eastward has already proceeded one hundred miles in anticipation of a through line of railway, whilst settlement of the equally fertile lands to the west is so much spoken of as to confidently warrant the assertion that it will be equally rapid and extensive as soon as railway facilities are in sight,

Therefore this council would respectfully represent that the construction of the proposed Grand Trunk Pacific railway as above mentioned would be of very great and lasting benefit to the sections of country to be served thereby, as well as to the eastern portions of Canada,

And this council further represents that the present development of what may be termed the Edmonton district is such as to immediately demand that the construction of a line of railway east and west from Edmonton not later than the season of 1903 is essentially necessary in the interests of a large body of settlers and development of the district generally, and that the completion of the proposed through line of railway as calculated to have the widest possible influence on the development of Canada as a whole.

NOTICE is hereby given that the Edmonton Street Railway Company will apply to the Parliament of Canada at its next session for an amendment to their Act of Incorporation (57-58, Vic. 1894, C. 71) to enable the Company to construct street railway or tramway lines (operated by any motive power other than steam) radiating in any direction from the town of Edmonton, for a distance not exceeding fifty miles, instead of only ten miles, as now authorized by the said Act, and to enable the Company to enter into agreements, not merely with the Calgary & Edmonton Railway Company, but also with any other Railway Companies, and for other purposes incidental thereto.

BECK, EMERY & DUBUC.
Advocates for the said, Company.
Dated at Edmonton, this 13th day of November, A. D. 1902.

NOTICE.

The Calgary and Edmonton Railway Company will apply to the Parliament of Canada, at its next Session, for an Act to authorize it to construct the following lines:

1. A branch line from Wetaskiwin on its main line easterly, a distance of 100 miles;

2. A branch line from a point between Lacombe and Red Deer on its main line easterly 100 miles.

3. A line from Strathcona, the present terminus of its railway, to the Town of Edmonton by the most feasible route;

4. A branch line from some point at or near Edmonton in a northerly or north-westerly direction for a distance of 100 miles,

with power to extend along such lines its telegraph and telephone lines and operate the same, together with such other powers and privileges as are usually given to Railway Companies and which may not be included in its charter.

THE BOARD OF TRADE

A council meeting of the board of trade was held in Gariepy's Hall at 10.30 a. m. Thursday, Feb. 5th.

There present were: F. W. Mackenzie, president; J. B. Mercer, vice-president; F. F. Tims, secretary; and Geo. Manuel, F. T. Fisher, W. Richardson, J. H. Gariepy, J. H. Morris, A. B. Campbell, C. W. Strathy and G. H. Graydon.

The minutes of last council meeting were read and adopted on motion of J. H. Gariepy, seconded by W. Richardson.

All correspondence was read and disposed of.

Re Good Roads Association. On motion of J. H. Morris, seconded by Geo. Manuel, the secretary is hereby instructed to write the secretary of the Good Roads Association, Red Deer, and ask for about twenty-five more copies of the petition and to state that although the secretary of the board of trade had sent out to every school district the copies he (good roads secretary) had sent, only two had been returned, and these were forwarded to Red Deer, and that the board will try other steps. Carried.

Re board of trade, Calgary: The secretary was instructed to answer the communication from the Calgary board of trade and express the board's willingness to have Calgary appointed as the point for the first meeting and that at that meeting a decision be arrived at, to where the next meeting be held. Carried.

A resolution was passed asking for summer railway excursions on the same basis as the present winter excursions,—said resolution to be forwarded to the C. P. R.

Moved by J. H. Morris, seconded by C. W. Strathy that the Hon. G. H. V. Bulyea, commissioner of agriculture, for the N. W. T., be backed in every possible way,—re shipment of grain, etc., re his communication of 29th January, 1903, and that the secretary is hereby instructed to act.—Carried.

Re hail insurance.—This board hereby strongly urges the farmers not to make any mistake but to take out insurance as it costs so little and may mean so much if they do not.

Moved by Geo. Manuel, seconded by J. H. Morris that his worship, the mayor be asked to call a public meeting at the earliest possible date, re the deplorable state of affairs which exists in the town of Edmonton over the want of such public buildings as a court house, post office and also of a jail, the land to build the latter was purchased months ago and not a move has since been made. Carried.

The board unanimously recommended J. B. Mercer as president, and J. H. Morris as vice-president, for 1903, and that Messrs. W. Richardson and C. W. Strathy be auditors of past year's books.

A special general meeting of the board will be called on Tuesday, Feb. 10th, at 10.30 a. m. and the mayor and town council will be asked to grant the use of the town hall for the meetings of the board on and after 1st March, 1903.

The meeting then adjourned.

NEW LUNNON

The congregation of the Anglican church (Holy Trinity, New Lunnon) held their concert and pie social at Mr. Masson, Victoria Farm, on Tuesday last, 3rd Feb, and was in every respect a grand success. There was a large attendance. Rev. J. C. Waco, incumbent of the parish, acted as chairman, and Mr. William Masson, J. P., as auctioneer. The total amount taken in by the auction of pies was $32.75 which was given to the church of England funds. The programme was as follows:

TWENTIETH CENTURY CLOTHING.

We have been granted the sole agency for this famous line of Clothing for Edmonton.

The Clothing is sent to us in neat paste-board boxes; on the front of each box is a sample of the cloth that the suit is made of.

There is no possibility of the suit becoming shop worn or losing any of its newness, when they are packed in this style.

The cheapest suit that these people make is $12, all being high grade goods, and not the ordinary ready-made suits, but are tailor-made, and guaranteed to have style and durability.

We do not wish to impress you that the goods are cheap, for being made of the best Worsteds and Tweeds, and put together by skilled mechanics the price is reasonable, but we do not advertise them as cheap as ordinary clothing.

We will be pleased to show you these goods. You will want a suit in the spring if not at present.

If you wish a cheap and durable suit we have three different brands for you to choose from.

BYE-LAW 234

A By-Law to amend By-Law No. 193 intituled "A By-Law respecting the Public Health."

The Municipal Council of the town of Edmonton, duly assembled, enacts as follows:

1. By-Law No. 207 amending the said by-law No. 193 is hereby repealed.

2. The said by-law No. 193 is hereby amended by adding after section 8 thereof the following additional sections:

8 (a) Every Medical Practitioner in attendance upon any patient suffering from contagious or infectious diseases shall immediately upon his becoming aware that the disease is contagious or infectious make a written report of the name of the patient, the house or other place in which the patient is being attended, the nature of the disease and the date of the development of the disease.

8(b) The Secretary-Treasurer shall procure and keep on hand such a supply as he shall think necessary of printed blank forms of such reports to be furnished, on request, to the Medical Practitioners practicing within the Municipality, and each Medical Practitioner shall, in reporting, use one of such printed blank forms or a form to the like effect.

8 (c) All such reports shall, within twelve hours, of the development of the disease, or if the reporting physician was not attending the patient at the time of the development, then within twelve hours of his becoming aware of the contagious or infectious nature of the disease, be delivered by him, either to the Secretary-Treasurer of the Town at his office, or to the Town constable for the time being on duty at the Fire Hall.

8 (d) Immediately upon the receipt by any Constable on duty, from a Medical Practitioner, or from a Constable going off duty, or from the Secretary-Treasurer, of any such report, such Constable on duty shall forthwith visit the premises in which the patient then is, and cause the provisions of Section 4 of the Public Health Ordinance to be complied with, and, in default of the occupant forthwith complying therewith, shall himself affix the notices thereby required, and shall also as soon as possible after receipt of the said report deliver the same to the Medical Health Officer.

8 (e) Such Constable shall record in a book to be kept for that purpose in the office of the Secretary-Treasurer, the date and hour of the receipt by him of any such report, followed by a detailed account of his action relating thereto.

8 (f) Upon the convalescence of a patient from a contagious or infectious disease, the attending Medical Practitioner shall report in writing to the Medical Health Officer the condition of the patient, and when, in his opinion, the period of quarantine will expire, and what disinfection of the person, house, furniture, clothing and bedding affected ought to be made.

8 (g) The Medical Health Officer shall upon the earliest day upon which it appears by the said several reports that disinfection as aforesaid ought to be made, shall instruct some competent person to make such disinfection, supplying such person with the necessary apparatus and disinfectants for the purpose; and shall immediately thereafter inspect the house and, if the circumstances in his opinion justify the same, shall immediately give a certificate to the occupant of the house in which the patient was at the time of the disease that the period of quarantine has expired and that proper disinfection has been made, and shall forthwith report to the Secretary-Treasurer that he has done so.

8 (h) The expense of disinfection, consisting of the remuneration of the person employed to make the disinfection, a fee of $1.00 to the Medical Health Officer, and the cost of the necessary disinfectants shall be certified to by the Medical Health Officer; and the occupant of the house in which the patient was at the time of the disease, and the patient himself, and all other persons liable by law to make such disinfection or to cause it to be made, shall pay the amount so certified, unless the Medical Health Officer shall certify that on account of the poverty of the party or parties, who ought ultimately to pay the same, or otherwise the same should be borne by the Municipality, except as to the fee of the Medical Health Officer.

Done and passed in Council this 4th day of February, 1903.

THE RENOWNED WESTMINSTER ABBEY CHOIR
Glee and Concert Party.

The Coronation Choir Glee and Concert party composed of a number of leading singers and boy sopranos who took part in the Coronation of their Majesties King Edward VII and Queen Alexandra on August 9th will be heard here in a delightful concert programme.

In rendition of glees, madrigals and part songs this body of singers is unexcelled anywhere for beautiful blending, artistic and tasteful singing. The male alto voices and the boy sopranos supply the places of the female voices with wonderful sweetness, similarity and effect. Mr. Branscombe, the Director of the party and a lay vicar of Westminister Abbey in London, is an acknowledged authority on glee and part singing. He possesses a beautiful tenor voice and is a composer of note. Mr. Herbert Hilton, a baritone, is one of the foremost singers of England and is fast arriving at the top of the scale. Mr. Percy Cowards, male alto soloist a surprising and pleasing novelty; he is the finest exponent of this exceptional voice in England. Madame Marie Hooton, the eminent London contralto, is a beautiful woman and a delightful artist, while the boys have the voices of angels.

Speaking of the Coronation Glee and Concert party's last appearance in Montreal the "Star" says,—

"They gave a delightful programme of English glees sacred music and solos. The smoothness and beauty of their part singing was most pleasing and the most difficult madrigals were given with an ease and a delicacy that were charming to the ear. On this occasion they favoured the audience with a couple of introits and an anthem sung in Westminister Abbey at the Coronation: The anthem which was Gounod's "Send out Thy Light" was rendered in a manner quite different from that to which Canadians are accustomed. It was beautifully shaded and exquisitely sung. The soloists were good especially Messrs. Leyland, Hilton and Coward. Master Forsythe sang a dainty little song by Cowen, and Madame Marie Hooton rendered a number of Scotch ballads. Mr. Dudley Causton contributed a humorous musical sketch that caught the house.

The beautiful music of the English Cathedrals rendered with a delightful delicacy and sweetness of expression will be illustrated by the Coronation Choir party here in their forthcoming concert at the Edmonton Opera House on Wednesday, Feby 18th, 1903. The delightful boy sopranos, the remarkable male altos, the fine tenors and baritones give a perfect vocal blending. The male alto soloist, for example Mr. Percy Coward, is the very finest exponent of this voice in England he has the pure rich contralto notes of a Clara Butt. Mr. Edward Branscombe is an acknowledged authority on part-song singing in London and is a composer of note. Mr. Herbert Hilton is a remarkable church singer and also conductor of an important choral society. Madame Marie Hooton, the lady vocalist, has a most rich and delightful contralto. Altogether the Choir party is of a most exceptional character and its equal in music will not be heard again in Canada is many long years.

They are the choristers of the Coronation Choir from far-famed Westminister Abbey and they all took part in the Coronation of their Majesties, King Edward and Queen Alexandra. The boys are particularly delightful little chaps in their Eton jackets and Westminster school caps. They are said to have the voices of angels and their looks do not belie it. Mr. Edward Branscombe senior lay vicar of Westminister Abbey is director of the Choir Party which is composed as follows.—

Concert Contralto — Madame Marie Hooton.

Soprano Boys — Masters Leonard Hubbard, Reginald Hyde, Horace Marchant and Alf. Boughton.

Male Altos — Mr. Percy Coward and Mr. Walter Coward.

Tenors — Mr. Edward Branscombe and Mr. George Fawzall.

Bases — Mr. Herbert Hilton and Mr. Albert Archdeacon.

Entertainer — Mr. Dudley Causton.

The greatest musical event that happened in the annals of this town will be the appearance of the Coronation Choir Party.

This is a party of famous English singers and boy sopranos who took part in the coronation of their Majesty King Edward VII and Queen Alexander on August 9th, last, in Westminster Abbey, and has been selected by Mr. Branscombe, lay vicar of Westminster Abbey, who is one of the acknowledged authorities on glee singing in England. They are assisted by Madame Marie Hooton the famous English contralto of charming voice and presence, and Mr. Dudley Causton the well known English entertainer, who presents a very humorous sketch entitled "The Village Concert." The clear soprano voices are very delightful to hear, while a very interesting feature in addition to the regular numbers will be a male alto solo by Mr. Percy Coward. The male alto voice is peculiar to the English Cathedral where no women are allowed to sing and the women a voices are replaced by male altos and boy sopranos.

It has been rendered possible for the choir to be here by the fact that they are moving to the Pacific Coast on their way to Australia and they are enabled to stop over en route.
